## Summer Workshop

The Chattanooga Girls Choir is partnering with the Chattanooga Theatre Center to offer "Creating a Musical" summer workshop. This is a summer intensive musical theatre workshop that will walk students through the many steps of how a musical is created. Their musical will be performed with sets and costumes that they also help to create. On the last day the students will perform their musical, which will showcase their hard work over the two weeks, to friends and family.

The workshop will be held July 6th—17th from 9am to 4pm and is open to boys and girls who are rising 4th—7th graders. The cost is \$350 for the two week program. For registration information contact the choir office or visit the rehearsal desk.
